

Hot Shot Cowl

By Cally Monster

Materials

Yarn: Baah La Jolla (100% Superwash Merino 400yards/115grams)

Color 1 (C1): Grey Onyx, 1 skein/200 yards

Color 2 (C2): My Sweet Valentine, 1 skein/200 yards

Needles: US 2/2.75mm, & US 4/3.5mm

Notions: Stitch Markers, Tapestry needle, T-pins and blocking wires for blocking

Gauge: 16 stitches = 4 inches in Faux Brio stitch after blocking. Although gauge is not crucial for this project, it will affect the finished size and yarn requirements. A looser gauge will result in the use of more yarn.

Finished size: 10" tall x 22" around.

k: knit

p: purl

k1b: insert the right needle into the stitch below the next stitch on your left needle, knit that stitch, then drop it and the stitch above it off the left needle at the same time.

p1b: insert the right needle into the stitch below the next stitch on your left needle, purl that stitch, then drop it and the stitch above it off the left needle at the same time.

Cowl will slant on the ribbed rounds. You can leave it like that or pin out to straighten lines, pin down and spray lightly with water.
